

Winning Money System

Each Hole Payouts

1. **Winning a hole (lowest net score) = \$2**
 2. **Winning with a net par = +\$1 (\$3 total)**
 3. **Winning with a net birdie = +\$2 (\$4 total)**
 4. **Winning with a net eagle = +\$3 (\$5 total)**
 5. **Ties (Push) = No money exchanged**
-

Par 3 Bonus System

1. **Par 3s are worth \$5 if you net par or better, on top of the normal money system.**
2. **If you land on the green off the tee and make par or better, you win an extra \$1, stacking with the \$5 Par 3 bonus.**

Example: Winning a Par 3

- **You land on the green, make a net par.**
 - **\$2 for winning the hole**
 - **+\$1 for net par**
 - **+\$5 for Par 3 bonus**
 - **+\$1 for hitting the green & making par**
 - **Total: \$9**
 - **You win the hole with a net birdie and hit the green:**
 - **\$2 for winning the hole**
 - **+\$2 for net birdie**
 - **+\$5 for Par 3 bonus**
 - **+\$1 for hitting the green & making par**
 - **Total: \$10**
-

Additional Bonuses

1. **Par save from a bunker = +\$1**
 - If you **get up and down from a bunker to make par or better and win hole**, you earn an extra \$1. You do NOT get the bonus if you just win the hole from bunker
 2. **Drive the green on a Par 4 & win with par or better = +\$1**
 - If you **land on the green from the tee box on a Par 4 and win the hole with a net par or better**, you get an extra \$1.
-

Penalty Fees (Pay Up!)

1. **Three-putt → You owe \$2**
 2. **Net double par → You owe \$1**
 - Example: On a **Par 4**, net **8 or worse** → Pay \$1
 3. **Fail to exit a bunker on first attempt → You owe \$1**
-

Overall Bonuses

- **Front 9 Winner = \$5**
- **Back 9 Winner = \$5**
- **Total Overall Winner = \$10**
- **Push = no blood**
